

August Events Bulletin

Welcome to the August edition of our Nursery Newsletter!

This month is all about celebrating wellness, friendship, creativity and sensory fun. We have a wonderful line-up of themed days that will keep the children engaged and inspired throughout the summer weeks.

National Wellness Month – All of August

We will be focusing on wellness through calming activities, outdoor play and mindful moments. The children will enjoy yoga, breathing exercises and learning about kindness and self-care in simple, age-appropriate ways.

Raksha Bandhan – Friday 8th August

The Hindu/Sikh festival celebrates the bond between brothers and sisters. We will explore this tradition through storytelling, arts and crafts, and friendship-themed activities that highlight love and care within families and communities.

World Elephant Day – Tuesday 12th August

The nursery will be celebrating these gentle giants with a variety of engaging activities. Children will explore stories like *Elmer the Elephant*, get creative with themed crafts, and enjoy sensory play inspired by elephants and their habitats.

Thank you in advance for your support!

Fun Beach Day – Thursday 28th August

We are transforming the nursery into a beachside escape for a day of summer fun! Children will take part in a range of seaside-themed activities including:

Sandcastle Building Challenges – work together or independently to build imaginative sand creations in our outdoor sandbox

Seashells Sorting and Pattern Making – using real or play shells to explore patterns, counting, and symmetry.

Under the Sea Small World Play – explore ocean creatures and habitats through imaginative storytelling & tuff tray activities.

Beach Safety Role Play – learn about sun safety, flags, lifeguards, and how to stay safe by the water through fun pretend play and group discussions.

Children are welcome to come in beach-themed clothes, sun hats, and sunglasses to get into the spirit of the day!

August Reminders
